

## NT DAMA occupations list

Under the Northern Territory Designated Area Migration Agreement (NT DAMA), overseas workers can be nominated for 135 occupations under the following visa programs:

- the 4 year Temporary Skill Shortage (TSS) subclass 482 visa
- the permanent Employer Nomination Scheme subclass 186 visa (for those eligible for the permanent residence pathway)
- the 5 year Skilled Employer Sponsored Regional (SESR) visa.

The NT DAMA occupations list is reviewed and updated annually by agreement between the NT Government and the Australian Government.

The annual review is informed by:

- the NT Skilled Occupations Priority List (NTSOPL), which is used as a base from which the NT DAMA occupations list is developed
- other labour market intelligence including submissions received from industry peak bodies.

To provide feedback on occupation shortages contact the [Industry Skills Advisory Council NT \(ISACNT\)](#).

ISACNT undertakes labour market analysis and provides recommendations to the NT Government to inform the NTSOPL.

## Occupations eligible for sponsorship under the NT DAMA

Occupations have been given a category (A to K) according to the skills and age requirements.

For information on the requirements for these categories, read [qualifications and experience requirements \(https://industry.nt.gov.au/migration-for-business/northern-territory-designated-area-migration-agreement/qualifications-experience-age-requirements-overseas-workers\)](https://industry.nt.gov.au/migration-for-business/northern-territory-designated-area-migration-agreement/qualifications-experience-age-requirements-overseas-workers).

Occupations have different requirements as to age, English, skills and experience and salary threshold (TSMIT). Read about [concessions available \(https://industry.nt.gov.au/migration-for-business/northern-territory-designated-area-migration-agreement/concessions-available\)](https://industry.nt.gov.au/migration-for-business/northern-territory-designated-area-migration-agreement/concessions-available).

Occupations marked with an asterisk (\*) have been created outside of the standard classification of occupations.

For description of tasks and required skills for these occupations, read [job descriptions on concessions available \(https://industry.nt.gov.au/migration-for-business/northern-territory-designated-area-migration-agreement/concessions-available\)](https://industry.nt.gov.au/migration-for-business/northern-territory-designated-area-migration-agreement/concessions-available).
